

Events 2020 Q2 report update

User Group Team (JUGS)

The last couple of months have been very quiet, the update on the rules to allow virtual jugs still on hold, one of the major updates is about the jug directory, since a few weeks in conjunction with the webmaster team and Wilco Alsemgeest, we are looking at the possibilities to redo the jug directory.

Joomla! Events Team

The team is attentive to any request for support, most events recently approved where organized as online events, due to the COVID-19 pandemic most of in person events were cancelled.

Pizza Bugs & Fun Working Group

Benjamin Trenkle is working on the organisation for the PBF 2020, the worldwide event is scheduled for October 17th 2020.

Joomla! World Conference

The team remains inactive, but it will restart when it has a budget to organize an upcoming Joomla! World conference.
