

Events Department Q Report.

The Department

In the year 21/22, the department has budgeted to support 10 JoomlaDay events with the hope that in the coming days, the in-person events will start happening. So far, we have not managed to have in-person events yet.

Events Team

The migration from SobiPro to DP calendar has been completed thanks to the Events Team under the leadership of Shirielle Williams

.
Testing has been done with a lot of success.

JUG Team

The JUG will be doing another meeting for the JUG organizers coming February 2022.

The JUG team continues to do updates on the documentation.

What's ahead

Helping the team leaders and the teams within the department as they foster to achieve what is set in their vision and mission of the year 2022.

Making sure that the DP Calendar is adoptable and help event's organizers use it effectively.

Integrating DP Calendar with AcyMailing and coordinating with Marketing

Encourage the use of joomla.online domain for the coming JoomlaDayEvents.

Joomladay USA will be coming up in April, big event.
