## Quarterly Report of the Secretary

### Introduction

This report is related to the activities and achievements of the third Quarter of 2022 as Secretary of Open Source Matters, from July 2022 to September 2022.

*The Achievements listed here should not be intended as if they were coming exclusively from my action, in fact they came from the collaboration of the whole Board and several volunteers.*

### 2022 - Q3

During the period, I supported the Board in planning the activities to migrate from Glip to Mattermost, having already solved all the bureaucracy.

Another long round of elections has been held.

Due to increased workload, I had to reduce my involvement in several areas of the Project, focussing my attention and dedication to the Magazine, where I serve as Co-Lead Editor.

### Achievements

- Organized Group 1 Elections
- Obtained a new, higher, grant from AWS for Open Source, to reduce operational costs.
- Continued the improvement of administrative workflows.

### Statistics

- The Board held 5 meetings during the Quarter.
- The Board actioned 9 motions during the Quarter (July '22 - September '22).
- I proposed 8 motions (0 excluding statutory motions)<sup>1</sup> during the Quarter.
- I seconded 1 motion during the Quarter.

**Over the years, I had the privilege to collaborate with many Officers and Department Coordinators and a lot of Volunteers from different areas of the Project. All the achievements mentioned would not have been possible without their precious collaboration, advice and support.**
