Quarterly Report of the Secretary

Introduction

This report is related to the activities and achievements of the fourth Quarter of 2022 as Secretary of Open Source Matters, from October 2022 to December 2022.

The Achievements listed here should not be intended as if they were coming exclusively from my action, in fact they came from the collaboration of the whole Board and several volunteers.

2022 - Q4

During the period, I worked to complete the move of some services to the Foundation, to lower OSM operating expenses. This led to a cooperation agreement between OSM and the Joomla Foundation, to regulate the relationship between the two entities.

I provided support to the Board with historical knowledge and advice.

Due to increased workload, I had to reduce my involvement in several areas of the Project, focussing my attention and dedication to the Magazine, where I serve as Co-Lead Editor.

Achievements

- Established a cooperation agreement with the Joomla Foundation.
- Moved Google services to the Foundation to reduce operational expenses of OSM.
- Continued the improvement of administrative workflows.

Statistics

- The Board held 3 meetings during the Quarter.
- The Board actioned 13 motions during the Quarter (October '22 - December '22).
- I proposed 7 motions (1 excluding statutory motions)¹ during the Quarter.
- I seconded 3 motions during the Quarter.

Over the years, I had the privilege to collaborate with many Officers and Department Coordinators and a lot of Volunteers from different areas of the Project. All the achievements mentioned would not have been possible without their precious collaboration, advice and support.

I am fully available for questions and clarifications at luca.marzo@community.joomla.org.

¹ Statutory Motions are the motions to adjourn the meetings and to approve the meeting minutes.
